Specification Sheet

RINFRESCA - Cleaner for Plaster

DESCRIPTION

RINFRESCA is a special cleaner detergent for glossy and Venetian plaster surfaces.

RINFRESCA is suitable for cleaning coatings previously treated with natural protections such as NATURAL BEE'S WAX.

Application

Remove the dust from the surface if it's too dirty or dusty.

Spread **RINFRESCA** with a sponge or a cloth and rub with circular movements a small section of the surface.

When the surface is still humid, remove the product with a clean damp cloth.

Usually one coat is enough for a good result.

Storage

The product maintains its properties for a period of 36 months if protected from excessive heat and cold.

The storage temperature must be included between **+5°C** and **+30°C**. To be kept away from ice-cold.

Precautions

Do not mix with other products.

Drying Time

110 seconds at 20°C (68 F) on a waxed polished plaster

Safety guidelines

Avoid contact with skin and eyes. If contact occurs, rinse thoroughly with water. For more information consult the safety sheet.

Fire Fighting Measure Non combustible material

Eye and Body protection Not Applicable

Disposal

The product must be disposed in agreement with current regulations.
Empty containers have to be sent to recycling plants.

TECHNICAL SPECIFICATION

Appearance	dense liquid ready to use
Colour	white
Packaging	net l. 1
Application tools	sponge or cloth
Specific weight	1,30 ± 0,05Kg/l
pH	7,0 ± 0,50
Theoretical yield	30 ÷ 40g/m ² per coat
Temperature of application	min. +10°C; max. +30°C
